Released on July 24, 2025, in Kyoto, Japan

**Notice Regarding the Disclosure of the Financial Results for the First Quarter of the Fiscal Year
Ending March 31, 2026, Exceeding 45 Days After the Quarter-End**

Nidec Corporation (TSE: 6594; OTC US: NJDCY) (the “Company”) hereby announces that the scheduled disclosure date of the financial results for the first quarter of the fiscal year ending March 31, 2026, will exceed 45 days after the quarter-end, as detailed below.

1. Reason for the Delay in the Disclosure of the Financial Results

As announced in our press release dated June 26, 2025, titled "Notice concerning board of directors' resolution of application for approval of deadline extension for submission of securities report for 52nd fiscal year," the Company is continuing additional investigations concerning issues related to trade transactions and customs issues involving one of our consolidated subsidiaries. Consequently, the consolidated financial statements for the fiscal year ended March 31, 2025, have not yet been finalized.

Furthermore, as stated in our press release dated June 27, 2025, titled "Notice concerning approval of deadline extension for submission of the securities report for the fiscal year ended March 31, 2025," we are working to submit the annual securities report for the fiscal year ended March 31, 2025, by the extended deadline of September 26, 2025. However, due to the ongoing additional investigations mentioned above, delays have also occurred in the procedures for the financial results for the first quarter of the fiscal year ending March 31, 2026. As a result, the disclosure of the financial results for the first quarter of the fiscal year ending March 31, 2026, will be postponed.

2. Future Disclosure Schedule

The new disclosure date for the financial results for the first quarter of the fiscal year ending March 31, 2026, will be announced promptly once determined.

We sincerely apologize for any inconvenience and concern this may cause to our shareholders, investors, and other stakeholders.
