Notice Regarding the Designation of Our Company's Shares as a Supervised Stock (Under Review)

The Company is in a state of not meeting the market capitalization standard for tradable shares among the listing maintenance standards on the prime market of the Tokyo Stock Exchange, Ltd. (hereinafter referred to as the "Tokyo Stock Exchange") and has entered an improvement period. However, as of today, the end of the improvement period, we have not been able to confirm compliance with the market capitalization standards for tradable shares. Currently, our company has applied to the Tokyo Stock Exchange Standard Market for a change in market classification (hereinafter referred to as the "Market Classification Change Application"), and as a result, our shares will be designated as a supervised stock (under review) by the Tokyo Stock Exchange on April 1, 2026.

In addition, please refer to the website of the Japan Exchange Group for details and reasons of the designation measures announced by the Tokyo Stock Exchange, Ltd.

• Future response

We will continue the application process to have our designation as a Supervised stock (under review) lifted. If the market change review is approved, the designation as a Supervised stock (under review) will be lifted. Furthermore, trading of our shares on the Tokyo Stock Exchange Prime Market and the Nagoya Stock Exchange Main Market will continue as usual from April 1st onwards.

We sincerely apologize for the considerable concern and inconvenience caused to our shareholders and all other stakeholders by our designation as a Supervised stock (under review). We would appreciate your continued support.
