### Notice Regarding Price Revisions

We would like to extend our friendliest greetings to you and thank you for your continued patronage of our products.

As you already know, we are facing intensified competition for talent and persistent surging of costs for logistics and parts. In such an environment, we are working hard to improve our productivity and operational efficiency. However, such efforts alone are not enough to absorb the rising costs.

In line with this, we have reluctantly decided to revise the prices of our products as detailed below. We appreciate your understanding.

We will continue our utmost efforts to further improve our product and service quality, while fulfilling our responsibility to supply products. We hope to receive your continued patronage.

Sincerely yours,

2. Effective date of the price revision: Monday, October 6, 2025
3. Products subject to the price revision and price revision rates

Product line	Revision rate
Enclosure	Approx. 10 to 15%
Plastic enclosure	Approx. 10%
System racks	Approx. 5 to 10%
Optical junction boxes	Approx. 10%
Thermal management products	Approx. 10%
Panel board accessories	Approx. 10%
Circuit breakers/switches	Approx. 10%
Standard panel boards/control panel boards	Approx. 2 to 10%
Home panel boards	Approx. 15%

\* The above revision rates are approximate for each product line; therefore, the rates may vary depending on the product.

\* The revised prices will be announced in detail in our General Catalogue 2025-2026 to be issued in October 2025.
