2. Position of the listed company within the corporate group centering on the parent company and other relationships between the listed company and the parent company.

NOHMI BOSAI LTD. (the “Company”) and its parent company, SECOM Co., Ltd.(“SECOM”)’s corporate group, are engaged in businesses relating to “safety and security.” The SECOM Group strives to create services and systems that deliver safety and peace of mind, as well as make life more comfortable and convenient, with the aim of realizing its Social System Industry vision by providing various integrated services. To this end, the SECOM Group is developing businesses such as security services, fire protection services, medical services, insurance services, geospatial information services and BPO and ICT services. Of these, the Company plays a central role in the fire protection business and has separated its business domains from those of SECOM. The Company will continue to pursue mutual development with SECOM to achieve the *ANSHIN* Platform concept, proposed by the Group.

In addition, although the Company has appointed one director from SECOM, we believe that our independence in making management decisions is sufficiently secured as the majority of the Board of Directors consists of independent outside directors who are independent from SECOM.
