Notice Regarding Revision of Consolidated Financial Forecast
for the Fiscal Year Ending March 31, 2026

Sharp Corporation (“the Company”) hereby announces the revision of its consolidated financial forecast for the year ending March 31, 2026 as follows. Previous forecast was announced on May 12, 2025.

1. Revision of financial forecast

Revision of the consolidated financial forecast for the year ending March 31, 2026
 (April 1, 2025 to March 31, 2026)

	Net Sales (Millions of yen)	Operating Profit (Millions of yen)	Ordinary Profit (Millions of yen)	Profit attributable to owners of parent (Millions of yen)	Net Income per Share (yen)
Forecast previously announced (A)	1,850,000	20,000	5,000	10,000	15.40
Revised forecast (B)	1,870,000	30,000	27,000	32,000	49.28
Change (B-A)	20,000	10,000	22,000	22,000	
Rate of change (%)	1.1	50.0	440.0	220.0	
(Ref.) Results for the year ended March 31, 2025	2,160,146	27,338	17,653	36,095	55.59

2. Reason for the revision

Based on the performance of the first quarter, net sales and operating profit are adjusted upwards to reflect the better outlook of the PC business and others. Furthermore, ordinary profit and profit attributable to owners of parent are revised upwards, considering foreign exchange gains and share of profit of entities accounted for using equity method, along with the aforementioned factors.

Note: The aforementioned forecasts of financial results are based on information available and deemed reasonable to the Sharp Group at the time of announcement and are not commitments made by the Company. Actual operating results may differ materially from the forecast due to various factors. The factors that may influence the figures for final reported business results include, but are not limited to:

- The economic situation in which the Company and its group companies operates;
- Sudden, rapid fluctuations in demand for the Company's products and services, as well as intense price competition;
- Changes in exchange rates (particularly between the Japanese yen and the U.S. dollar, the euro and other currencies);
- Regulations such as trade restrictions in other countries;
- The progress of collaborations and alliances with other companies;
- Litigation and other legal proceedings against the Company;
- Rapid technological changes in products and services.
