Notice Regarding Execution of Basic Agreement on Strategic Business Alliance

We hereby announce that we have entered into a basic agreement on a strategic business alliance with WinWay Technology Co., Ltd. (6515TPE), a company based in Taiwan, as detailed below.

1. **Partner Company**

Company Name: WinWay Technology Co., Ltd.

Head Office: No. 68, Chuangyi S. Rd., Nanzih Dist., Kaohsiung City 811646, Taiwan

2. **Background and Purpose**

Our company operates globally in the CTC segment, and WinWay Technology Co., Ltd. also conducts global business in the manufacturing and sales of semiconductor probe cards for front-end testing and sockets for back-end testing. Based on our existing business relationship, both companies have agreed to strengthen collaboration and jointly explore new market opportunities by entering into this strategic business alliance.

3. **Future Plans**

The specific details of the alliance will be discussed between both parties and are scheduled to be finalized in a definitive agreement by October 1, 2025.

4. **Impact on Business Performance**

At this time, we expect the impact of this alliance on our consolidated financial results is expected to be immaterial. We will make further disclosures as necessary depending on the progress of the alliance.
