

Maxell Obtains “AA” Rating in MSCI ESG Ratings for the Second Consecutive Year

Recognition for Various Activities in “Social” and “Governance”

Maxell, Ltd. (hereinafter “Maxell”) has obtained an “AA” rating in the “MSCI ESG Ratings”, a global ESG evaluation index, in November 2024. This rating acknowledges Maxell's various activities and disclosures in the areas of “Social” and “Governance”.

The “MSCI ESG Ratings” is a rating system by MSCI (Morgan Stanley Capital International) in the United States, which evaluates companies worldwide from an ESG perspective. It analyzes how well companies manage risks in the areas of Environment (E), Social (S), and Governance (G), and rates them on a seven-tier scale from the highest rank of “AAA” to the lowest rank of “CCC”. In the fiscal year 2024, Maxell's ratings improved in the areas of sustainable procurement and governance.

Under the mission of “Contribute to a sustainable society by innovating unique, original technologies”, Maxell Group has revised the KPIs for its materialities in line with the Mid-term Management Plan MEX26, and established new KGIs in 2024, demonstrating “Maxell Group's vision for 2030” to a wide range of stakeholders.

Maxell Group will continue to strengthen its efforts towards realizing a sustainable society, providing “Maximum Excellence” to all stakeholders, and striving to be a company that is always “Within, the future” through sustainable management.
