Notice of Revision of Dividend Forecast (Dividend Increase)

RION Co., Ltd. (hereinafter the “Company”) hereby announces that it resolved at a meeting of the Board of Directors held today to revise the annual dividend forecast for the fiscal year ending March 31, 2026 announced on April 28, 2025, as shown below.

1. Reason for the Revision of the Dividend Forecast

In the financial results forecast released on April 28, 2025, the Company projected an annual dividend of 70 yen per share. Based on the current business environment and sales trends, the Company expects financial results for the fiscal year to be generally in line with the initial forecast.

The Company positions the return of profits to shareholders as one of its key management policies. Under its basic policy of paying progressive dividends, the Company is committed to maintaining a stable dividend while raising the dividend level in accordance with business performance.

Taking these policies into account and after comprehensively considering the earnings outlook for the current fiscal year, the Company will increase the dividend by 15 yen per share to pay a year-end dividend of 50 yen per share. As a result, the annual dividend is expected to be 85 yen per share.
