The Company's View, Policy, etc. Concerning Reduction of Investment Unit

1. The Company's view concerning reduction of investment unit

The Company recognizes that reducing the investment unit is one of the effective measures to increase the liquidity of stocks in the market and to create an environment that facilitates investment by a broad base of investors, including individual investors.

2. The Company's policy concerning reduction of investment unit

Regarding the reduction of the investment unit for the Company's shares, the Company will continue to carefully examine this matter, after comprehensively considering various factors, including its financial results, share price levels, trading trends, the number of shareholders, and changes in shareholder composition.
