(Caution concerning forward-looking statements)

The forward-looking statements contained in these materials, including business results forecasts, are based on information currently available to the company and on certain assumptions deemed to be reasonable, and are not intended to be construed as assurance that they will be accomplished in the future. Actual business results may differ substantially due to a number of factors. Please refer to Discussion of Forward-looking Statements, including Consolidated Results Forecasts on page 2 for the conditions that form the assumptions for business results and cautions concerning the use of business results forecasts. The consolidated business results forecast announced on May 13, 2025 has been revised for these materials.

(How to access the supplementary materials for the financial results)

The supplementary materials for the financial results are disclosed on TDnet on the same day as the financial results, in addition to being posted on the company's website.

1. Qualitative Information for the First Quarter of the Current Fiscal Year

(1) Discussion of Operating Results

During the first quarter of the current fiscal year, the economic environment in Japan and overseas continued to experience an uncertain outlook, driven by factors such as the impact of increased U.S. tariffs, uncertainties around the economic policies of individual countries, escalating geopolitical risk, and exchange rate fluctuations.

In this situation, consolidated net sales for the first quarter of the fiscal year amounted to \(\frac{\pmathbf{4}}{62.1}\) billion, down 4.6% year-on-year. By segment, sales were \(\frac{\pmathbf{3}}{39.5}\) billion in the Timepiece segment, \(\frac{\pmathbf{2}}{20.0}\) billion in the Consumer segment, and \(\frac{\pmathbf{2}}{2.5}\) billion in the Others segment.

In the Timepiece Business, overall sales decreased due to the appreciation of the yen, despite demand anticipating the impact of U.S. tariffs and continuing strong sales in India and ASEAN countries.

In the EdTech Business, sales of scientific calculators remained firm, but overall sales decreased, impacted by currency depreciation in some emerging countries. In the Sound Business, sales decreased due to persistently challenging market conditions, amid declarations of bankruptcy among music stores in Europe and other factors.

Casio posted an operating profit of \(\frac{\pmathbf{4}}{3}.7\) billion, allowing for a \(\frac{\pmathbf{1}}{1}.1\) billion loss in adjustment, down 17.6% year-on-year. The Timepiece segment posted \(\frac{\pmathbf{4}}{4}.2\) billion in operating profit, the Consumer segment posted \(\frac{\pmathbf{1}}{1}.1\) billion in operating profit, and the Others segment recorded \(\frac{\pmathbf{4}}{0}.5\) billion in operating loss.

Casio posted ¥4.3 billion in ordinary profit and ¥3.7 billion in profit attributable to owners of parent. Earnings per share (EPS) were ¥16.32.

(2) Discussion of Financial Position

Total assts on a consolidated basis at the end of the first quarter of the current fiscal year stood at ¥323.6 billion, down ¥8.0 billion compared to the end of the previous fiscal year, mainly owing to the transfer of shares of Casio Human Systems Co., Ltd., leading to its exclusion from the scope of consolidation. Net assets decreased to ¥217.1 billion, down ¥1.8 billion compared to the end of the previous fiscal year. As a result, the equity-to-asset ratio improved 1.1 points compared to the end of the previous fiscal year to 67.1%.

Casio will continue to pursue effective management of its business assets, aiming to build a stable and strong financial structure.

(3) Discussion of Forward-looking Statements, including Consolidated Results Forecasts

During the current fiscal year, it is expected that conditions for the global economy will remain unpredictable, including the impact of increased U.S. tariffs on the global economy, exchange rate fluctuations, and geopolitical risk.

In this business environment, reflecting currently available information, the impact of U.S. tariffs, and other factors, Casio has revised the full-year consolidated financial results forecasts for the fiscal year ending March 31, 2026 as follows.

(Consolidated results forecasts)

Net sales:\$\frac{2}{2}0.0\$ billion(up 3.1 % year-on-year)Operating profit:\$\frac{2}{2}1.0\$ billion(up 47.5 % year-on-year)Ordinary profit:\$\frac{2}{2}0.5\$ billion(up 45.1 % year-on-year)Profit attributable to owners of parent:\$\frac{2}{2}1.0\$ billion(up 45.1 % year-on-year)

Notes concerning results forecasts

- 1) Exchange rates are estimated at US\$ $1 = \frac{145}{1}$ and Euro $1 = \frac{160}{1}$.
- 2) The forward-looking statements including business results forecasts are based on information currently available to the company and on certain assumptions deemed to be reasonable. Actual business results may differ substantially due to a number of factors. Key factors affecting actual business results may include, but are not limited to, the economic circumstances surrounding the company's business, fluctuations in the exchange rates of major currencies including the yen-dollar rate, and significant changes in product prices.

II Three months ended June 30, 2025

1. Information on Net Sales and Profit or Loss for Each Reportable Segment (Millions of yen)

	Reportable segments				Amounts in quarterly	
	Timepieces	Consumer	Others	Total	Adjustments (Note 1)	consolidated statement of income (Note 2)
Net sales						
(1)External customers	39,527	20,092	2,572	62,191	-	62,191
(2) Intersegment	-	-	1,081	1,081	(1,081)	-
Total	39,527	20,092	3,653	63,272	(1,081)	62,191
Segment profit (loss)	4,246	1,173	(529)	4,890	(1,160)	3,730

Notes: 1. The 1,160 million yen downward adjustment to segment profit (loss) includes corporate expenses of 1,160 million yen that are not allocated to any reportable segments. Corporate expenses principally consist of administrative expenses of the parent company and R&D expenses for fundamental research, which are not attributable to any reportable segments.

2. Segment profit (loss) is reconciled with operating profit in the quarterly consolidated statement of income.

2. Matters Related to Changes in Reportable Segments, etc.

The company previously divided segment information into four reportable segments: Timepieces, Consumer, System Equipment, and Others. However, from the first quarter of the current fiscal year, the company has included System Equipment within Others and changed to three reportable segments: Timepieces, Consumer, and Others.

The changes in reportable segments are due to a transfer of shares: The company transferred its directly operated SMB business, which provides sales management and business support systems for small- and medium-sized businesses, to Casio Human Systems Co, Ltd. (hereafter, "CHS"), which operates the human resources (HR) business, by way of an absorption-type company split, and transferred all shares of CHS to CS Holdings Co., Ltd. The SMB and HR businesses had been included in the System Equipment segment.

Segment information for the three months ended June 30, 2024 has been prepared based on the new classification of reportable segments.

Notes on Significant Changes in Shareholders' Equity

Not applicable.

Notes on Premise of Going Concern

Not applicable.

Notes on Quarterly Consolidated Statements of Cash Flows
