Notice of Establishment of Vietnam Office

Frontier Management Inc. (Head Office: Minato-ku, Tokyo; Co-presidents: Shoichiro Onishi and Masahiro Matsuoka; hereinafter "FMI") newly established the Vietnam Office under Financial Advisory Department to strength the support in order for clients facing a major transformation globally under COVID-19 to enter Vietnam market or to expand their business there.

Background

In 2012, FMI established a branch in Singapore as a base to cultivate Asian markets for management consulting and cross-border M&A services. The Vietnam Office was newly established to enhance the services' quality and new customer developments locally, as Vietnam has maintained positive growth amid many countries experiencing negative growth due to COVID-19.

Many cross-border M&A deals in Asia have been supported based from the Singapore branch. Vietnam Office enables to grasp the local situation and needs more quickly and provide enhanced support within the region.
