Shared Research Updates an Analyst Report on Fast Fitness Japan

Fast Fitness Japan, Inc. (the “Company”) announces that Shared Research Inc. (“Shared Research”) has updated its analyst report on the Company as described below.

This update is based on the interviews following the Company financial results for the first quarter of the fiscal year ending March 31, 2026.

This report is based on research and analysis conducted by Shared Research from a third-party perspective and was prepared with an emphasis on neutrality. The Company hopes that the report will help investors deepen their understanding of the Group and its business, and also serve as a reference for their investment decisions.

About Shared Research

Shared Research is a research firm that conveys the essence of companies to investors worldwide. The firm provides Research Coverage, which is sponsored research conducted by staff with experience in Japanese equity research and management at financial institutions in Japan and overseas. Designed for institutional investors, Research Coverage is utilized by over 6,000 institutional investors across 130 countries, as well as many individual investors. By conducting thorough analyses of sponsor companies and widely sharing this information with investors, Shared Research helps enhance investors’ understanding of companies and improve the efficiency of corporate investor relations.
