Notice Regarding the Restoration of Operations Following a System Failure at Our Subsidiary

As announced in our September 11, 2026 notice titled "Notice Regarding a System Failure at Our Subsidiary," a system failure caused by unauthorized access occurred at our subsidiary, Nippon Trex Co., Ltd. (Headquarters: Toyokawa, Aichi; President: Hideki Yamamoto; hereinafter "Nippon Trex").

We are pleased to announce that, with the assistance of external cybersecurity specialists and other experts, we have completed verification of the system's security and established measures to prevent recurrence. Accordingly, the operations that had been suspended have now resumed. In addition, no leakage of personal information, customer data, or other information to external parties has been confirmed in connection with this incident.

We sincerely apologize for the significant inconvenience and concern caused to our customers and business partners as a result of the system failure and the suspension of operations.

Furthermore, the impact of this incident on our consolidated financial results is expected to be immaterial.

Our group takes this incident very seriously and will continue to strengthen security measures and thoroughly implement recurrence prevention initiatives across the organization. We will make every effort to restore the trust of our customers and business partners and sincerely appreciate your understanding and cooperation.
