Daido Metal Co., Ltd. Awarded 'Gold Medal Supplier Award' by CSSC Group for Second Year Running

Daido Metal Co., Ltd. has been awarded FY2024 Gold Medal Supplier Award at the CSSC Group ((Note 1) China State Shipbuilding Corporation: Headquarters Shanghai, China) supplier meeting held on 19th September 2025. This is the second year running Daido Metal has received this award, after having also been awarded Gold Medal Supplier last year.

Award

The Gold Medal Supplier Award was presented to suppliers who demonstrated superior quality and technical proposals, and the ability to respond swiftly.

In addition to our international technical capability and service quality, we were judged to have dealt swiftly and accurately with changing market needs, so we were chosen as one of the 101 Gold Award companies.

With our background of technical capability proudly reflected in us having the world's largest share of engine bearings for large-scale ships we have built trust and results in the Chinese shipbuilding market. In particular we were judged as a Company who can deal quickly and accurately to changing market needs, and our high service quality and international technical capability were recognised.

We intend to further strengthen our presence in the Chinese market, and by contributing to engine development of new ships using the next generation of fuels through our bearings, we will pursue even better quality and service

as a company leading innovation in the marine industry.

(Note 1) CSSC Group is China's largest state-owned shipyard. It has the largest shipbuilding and repair location in China, with R&D capability for large complete ships and support products.
