

2026 Edition of “Integrated Report” and “ESG Data Book” Released ~ Aiming to Promote Transparent Disclosure and Dialogue ~

FP Partner Co., Ltd. (Headquarters: Taito-ku, Tokyo; President and CEO: Tsutomu Kuroki; Securities Code: 7388; hereinafter “the Company”), which operates the free financial planning consultation service “Money Doctor,” released the 2026 editions of its “Integrated Report” and “ESG Data Book” on Tuesday, June 30, 2026, for the benefit of its stakeholders, including shareholders and investors.

The “Integrated Report 2026” provides a comprehensive overview of the Company’s business activities from both financial and non-financial perspectives

Aiming to realize “the insurance industry as it should be,” the Company is actively engaged in community-based business operations and talent recruitment. Furthermore, through financial planning, the Company delivers “peace of mind” to its customers while also focusing on financial education, thereby contributing to the improvement of financial literacy and the equal distribution of financial knowledge throughout society.

The “Integrated Report 2026” comprehensively presents an overall picture of our company from both financial and non-financial perspectives, including ESG data, financial highlights, business plans, employee engagement, and our operational quality management systems. Furthermore, through interviews with our President and CEO and outside directors, we share the challenges and outlook regarding the restructuring of our governance and the enhancement of corporate value.

ESG Data Book 2026

The “ESG Data Book 2026” systematically discloses our company’s ESG (Environmental, Social, and Governance) initiatives and related data. In this edition, we have further enriched the disclosed content and updated various indicators to enhance the quality of our information disclosure. Moving forward, we will continue to promote initiatives aimed at realizing a sustainable society, while striving to strengthen the dissemination of ESG information and foster dialogue with our stakeholders. Furthermore, we take the feedback and comments we receive seriously and incorporate them into our business activities, aiming to become an even more trusted company.

We will continue to provide “peace of mind” to all our customers and to the children who will shape the future, while contributing to the sustainable enhancement of corporate value and the realization of a sustainable and prosperous society.
