Actual results for the fiscal year ended August 31, 2025	22.00	–	–
Actual results for the fiscal year ended August 31, 2024	20.00	20.00	40.00

Note: The Company implemented a 2-for-1 stock split of its common shares effective September 1, 2025. The dividend amounts indicated above reflect pre-split figures.

2 Reason for the Revision of Dividend Forecast

The Company is committed to enhancing corporate value and regards the continuous return of profits to shareholders as a key priority. Our dividend policy is based on annual payout ratio of 30%, aiming to provide stable and consistent returns to our shareholders.

In FY25/8, businesses in Japan and mainland China performed strongly, resulting in record-high at all the level of profits. Based on the results, we have revised the year-end dividend for FY25/8 from the previously announced 22 yen per share (as of January 10, 2025) to 28 yen per share, an increase of 6 yen. Including the interim dividend of 22 yen, the total annual dividend will be 50 yen per share, up from the previous forecast of 44 yen. This represents an increase of 10 yen compared to the previous fiscal year.
