		Current FY	354	354	354	353	351	346		
	%	Change	91.2	91.9	91.9	92.4	93.4	93.8		

- Notes:
1. Existing stores are defined as stores that have been in operation for 13 months or more since the month they opened.
  2. Sales and average customer spending are calculated based on sales before deducting discounts.
  3. Ratios (%) are rounded to the nearest tenth.
  4. The comparison for February 2025 versus the previous fiscal year is based on 28 business days for the current fiscal year and 29 business days for the previous fiscal year. The comparison for the current fiscal year is therefore one business day less than the previous fiscal year.
