Also, the Company aims to achieve sales of 10 billion yen by 2030 and announces an investment plan for strengthening our business and the dividend policy to increase payout ratio to 40% or more by FY27.

Accordingly, in order to enhance shareholder returns in connection with the Transaction, the Company has revised its dividend forecast for the fiscal year ending March 2026 to 60 yen per share (ordinary dividend of 20 yen and special dividend of 40 yen).
