## Notice Concerning the Schedule for Announcement of Financial Results for the First Quarter of the Fiscal Year Ending March 31st, 2026

UORIKI CO., LTD. (the “Company”) hereby announces as follows that the Company would postpone the announcement of its financial results for the first quarter of the fiscal year ending March 31st, 2026, which was the deadline for the announcement is August 14, 2025, and it is expected to be more than 45 days after the end of the quarter.

The Company deeply apologizes to its shareholders and investors, as well as to its business partners and other related parties for any inconvenience and concern caused.

### 1. Reasons for Postponing

As stated in the “Notice of Filing of application for approval of deadline extension for filing of Annual Securities Report” dated June 27, 2025, it has come to light that there are deficiencies in the financial close procedures for the fiscal year ending March 2025, and items that need correction have been detected in our disclosure documents.

Also, as stated in the “Notice of Approval of application for deadline extension for filing of the 41st Annual Securities Report” report dated June 30, 2025, the Company plans to submit the 41st securities report (for the fiscal year ending March 2025) by August 29, 2025, after completing the financial closing procedures, including revisions to the consolidated financial statements and the auditing procedures by the independent auditor. Additionally, due to the extension of the submission deadline for that securities report, there will be delays in the processes related to the first quarter financial results for the fiscal year ending March 2026. Furthermore, since the independent auditors are required to conduct quarterly financial reviews, after reviewing the closing procedures and considering the schedule, it is expected that the disclosure of the financial results report for the first quarter of the fiscal year ending in March 2026 will exceed 45 days after the end of the quarter. As a result, the Company has decided to postpone the disclosure date of the financial results for the first quarter of the fiscal year ending March 2026.

### 2. Future Outlook

The Company will do its best to submit the annual securities report by August 29, 2025. The date of the financial results for the first quarter of the fiscal year ending March 31st, 2026, has not been confirmed yet. The Company will announce the date once it has been fixed.
