Notice of Obtaining a "B-" Score in CDP Climate Change Report 2024

MANI, INC. (hereinafter "MANI") is pleased to announce that the Company has obtained a "B-" score, the fourth highest tier, in the 2024 Climate Change Questionnaire conducted by CDP (Carbon Disclosure Project) *, an international environmental non-profit organization.

The "B-" score is classified as "Management Level" in CDP's evaluation criteria, indicating that the Company has been recognized for understanding and acting on its environmental risks and impacts. This marks a four-level improvement from our previous rating in the CDP Climate Change Report 2023 (D-score), reflecting the progress we have made in our climate change initiatives and our commitment to enhanced transparency.

*CDP (Carbon Disclosure Project) is an international non-profit organization headquartered in the United Kingdom that promotes environmental information disclosure by companies and local governments.
