**Daily disposable contact lenses “1DAY Menicon MelsME”
and “1DAY Menicon MelsME Toric” launch in Japan**

Menicon Co., Ltd. (hereinafter, “the Company”) announces that "1DAY Menicon MelsME" and "1DAY Menicon MelsME Toric (for astigmatism)," daily disposable contact lenses made of a silicone hydrogel material with high oxygen transmission, will be newly added to the lineup of "MelsME," the exclusive brand of the flat-rate contact lens service "MELS Plan," on Tuesday, July 1, 2025.* They will be available at MELS Plan member shops nationwide.

Since the Company simultaneously releases lenses for myopia, astigmatism, and hyperopia, the Company can support a wider range of customer vision needs with daily disposable contact lenses.

The Company will continue to propose a new vision of "Miru" through the provision of products and services that meet the individual lifestyles and needs of customers.

* They are OEM products.
