### Publication of MTG Integrated Report 2025

We are pleased to announce the publication of **MTG Integrated Report 2025**, the English translation of the first integrated report issued by the MTG Group.

This report has been prepared to provide our shareholders, investors, and other stakeholders with a comprehensive overview of the MTG Group's value creation initiatives, integrating information on our management strategy, financial performance, and non-financial activities. Through this report, we aim to deepen stakeholders' understanding of our medium- to long-term growth story and the corporate philosophy that underpins our business.

Since our founding, we at the MTG Group have steadfastly pursued our mission to help create a world where everyone lives a happy, beautiful, and active life through initiatives that aim to realize our VITAL LIFE business vision centered on the "One shines, We shine, All shines" corporate philosophy. At the heart of this commitment is the Hikari Philosophy, our guiding principles that recognize every employee as an integral part of the team and embody our belief in advancing together with all stakeholders — including business partners, customers, shareholders, and investors — to create a brighter society for all. This report illustrates how our philosophy is embedded in our business activities and serves as the driving force behind our value creation efforts.

The MTG Group will continue to engage in constructive dialogue with stakeholders through the publication of integrated reports and other disclosure initiatives, while striving to enhance sustainable corporate value over the long term.
