

FOR IMMEDIATE RELEASE

**Tokyo, Japan, September 10, 2025** — ZACROS Corporation, headquartered in Tokyo, along with its representative director and president, Taku Shimoda, announced that it was resolved to establish a subsidiary in India as detailed below.

#### Details

##### ■ Background

In response to the growing global demand for CUBITAINER, our industrial liquid container product, we will establish a subsidiary in India to strengthen our sales and marketing activities for our products and services in the Indian market.

##### ■ Overview of New Subsidiary

- (1) Company Name : ZACROS INDIA PVT. LTD. (planned)
- (2) Location : Gurugram, Haryana, India (planned)
- (3) Business Description : Sales and marketing of our products, including industrial liquid containers CUBITAINER
- (4) Capital : 60 million INR (Approximately 100 million JPY)
- (5) Establishment : December 2025 (planned)
- (6) Business Commencement : January 2026 (planned)

The new subsidiary will be established with a 99% investment from our company and an 1% investment from our subsidiary ZACROS MALAYSIA SDN. BHD.

##### ■ Impact on Business Performance

The impact of this investment on our current fiscal year business performance is deemed to be minimal. If any material impact on our business performance is identified in relation to the progress of equipment implementation and other related factors, we will make an immediate announcement.
