[Corrections] (Corrections are underlined.)

On pages 75 and 76 of "Notice of the 71st Ordinary General Meeting of Shareholders" The second sentence under (iii) Restricted share compensation (medium- to long-term)"

(Before correction)

Upon resolution by the Board of Directors, annually at a certain time of a year as a general rule, the Company allots shares of the number calculated based on target achievement rate of 150%, but with transfer-restriction period of three (3) years from the allotment. Provided, however, the number of shares on which such restriction is lifted shall be determined in accordance with the achievement rate of target of the actual record (operating income ratio, net sales, ROA) of the subject fiscal year. Target achievement rate shall be 70% - 150%, and if it is below 70%, transfer restriction is not released and the Company acquires all of the shares gratuitously, and if the achievement rate is 150% or more, transfer restriction on all shares will be released.

(After correction)

After the end of each fiscal year, upon resolution by the Board of Directors, annually at a certain time of a year as a general rule, the Company allots shares of the number calculated according to the achievement rate of target of the actual record (operating income ratio, net sales, ROA) of the subject fiscal year, but with transfer-restriction until the time of the retirement or resignation from all positions as director, executive officer or employee of the Company or of its subsidiaries. Target achievement rate shall be 70% - 150%, and if it is below 70%, no shares will be allotted.
