Notice Concerning Acquisition of DPTK INNOVACION Y TECHNOLOGIA SL (as a New Subsidiary)

ASICS Corporation (the “Company”) hereby announces that it will acquire 100% of shares of DPTK INNOVACION Y TECHNOLOGIA SL (“Deporticket”) (domiciled in Spain), which operates a race registration platform in Spain, etc. (this “Transaction”).

Although this Transaction does not fall under the criteria for timely disclosure, the Company deems the information useful and discloses it voluntarily.

1. Reason for the Acquisition

“Expanding the Running Ecosystem” is one of the strategic priorities in the Mid-Term Plan 2026 of the Company’s group (the “Group”). As the No. 1 infrastructure in the running industry, we aim to enhance the brand experience value by providing race-centered digital and personalized services and by fully supporting runners’ goals and self-realization.

Deporticket is the second-largest sports event platform in the Spanish market that specializes in race registration, website creation, and customization. Numerous events throughout Spain have adopted it as their platform.

We believe this Transaction will help us expand our reach among runners in Europe (Spain) and strengthen the running ecosystem. Additionally, this will accelerate efforts to enhance brand communication and increase product recognition. Through this Transaction, the Group aims to establish a strong presence as a race registration platform company in North America, Europe, Japan, Oceania, and Southeast Asia. The Group also intends to improve services for runners by developing and expanding the running ecosystem and digital services. For details, please refer to the attached “Acquisition of Shares in Race Registration Companies <Supplementary Explanatory Material>”.
