## Notice Concerning Revisions to Financial Results Forecasts

GLOBERIDE, Inc. (hereinafter the “Company”) hereby announces that in light of recent performance trends, a decision was made at the meeting of the Board of Directors held on April 30, 2026, to revise the financial results forecasts announced on November 10, 2025, as described below.

### 1. Revisions to the financial results forecasts

 (April 1, 2025 to March 31, 2026)

	(Million yen)	(Million yen)	(Million yen)	(Million yen)	(Yen)
Previously announced forecasts (A)	125,000	5,400	5,500	4,300	186.96
Revised forecasts (B)	126,900	6,500	7,180	5,400	239.64

(Reference) Actual results for the previous fiscal year (Fiscal year ended March 31, 2025)	123,983	6,508	6,492	4,783	208.10

### 2. Reason for the revisions

For the fiscal year ended March 31, 2026, although affected by factors such as geopolitical risks, heightened uncertainty, and the increased burden on the households resulting from rising commodity prices, the markets of the outdoor, sports, and leisure industry, in which the Company operates, showed a gradual recovery, and market inventory conditions also began to stabilize. Under these situations, the Company’s net sales exceeded the previously announced forecasts. In addition to our initiatives of productivity improvement and cost reduction, as well as an

increase in gain on valuation of receivables in foreign currencies, profit is expected to exceed the previously announced forecasts. Accordingly, the Company has revised its full-year consolidated financial results forecasts as stated above.

Note: The financial results forecasts shown above have been prepared based on the information available as of the date of this notice. Actual results may differ from the forecasted figures due to various factors in the future.
