[Summary]

In the month under review, net sales at existing stores (total) were 96.2% compared with the same month of the previous year, and net sales at all stores (total), including those of WEGO, which has been newly consolidated since October 2024, were 124.7% compared with the same month of the previous year.

During the month, sales of summer items performed well, supported by the continued high temperatures. In contrast, sales of autumn items were sluggish, particularly in the first half of the month. However, as temperatures declined in the latter half, autumn items such as jackets and blouses performed well.

Onward Personal Style, which operates the made-to-order brand “KASHIYAMA”, achieved strong sales driven by the effectiveness of digital marketing initiatives. At WEGO, strong results were achieved through robust sales of collaboration products, in addition to sweat items such as zip-up hoodies.
