RYODEN Corporation (Head Office: Chiyoda-ku, Tokyo; President: Katsuyuki Tomizawa; hereinafter "the Company") is pleased to announce that its website has been selected as an "Excellent" site in the overall category for the third consecutive year in the "2025 Full Listing Company Website Quality Ranking" conducted by Nikko IR Co., Ltd.

The "Comprehensive Ranking of All Listed Companies' Websites" is based on a survey and evaluation conducted by Nikko IR Co., Ltd. of the websites of all 3,937 listed companies. The evaluation is based on objective criteria set from three perspectives: "clarity," "usability," and "abundance of information."

Moving forward, we will continue to enhance the content of our website, including IR and investor information based on our IR Basic Policy (Transparent and Fair IR, Approachable IR, and Equitable IR), as well as pages covering sustainability, corporate information, and business information. This effort aims to ensure we can provide timely and appropriate information to all our stakeholders through our website.
