News Release

KAGA ELECTRONICS CO., LTD.

Notice Regarding Continued Selection as Constituent of the "JPX-Nikkei Index 400" and the "JPX-Nikkei Mid and Small Cap Index"

KAGA ELECTRONICS CO., LTD. (Head Office: Chiyoda-ku, Tokyo; Representative Director, President & COO: Ryoichi Kado; hereinafter, "the Company"), hereby announces that its stock has continued to be selected as a constituent of the "JPX-Nikkei Index 400" and the "JPX-Nikkei Mid and Small Cap Index" for Fiscal 2026 (August 31 2026 to August 30, 2027) which are calculated jointly by JPX Market Innovation & Research, Inc. and Nikkei Inc.

The company has been selected for the fourth consecutive year for the "JPX Nikkei Index 400" and the sixth consecutive year for the "JPX Nikkei Mid and Small Cap Indexes".

The JPX-NIKKEI Index 400 is an index composed of companies with high appeal for investors, which meet requirements of global investment standards, such as efficient use of capital and investor-focused management perspectives. The index is composed of the top 400 stocks listed on the Tokyo Stock Exchange (Prime Market, Standard Market, Growth Market), selected based on market capitalization, trading volume, ROE, and other factors.

The JPX-Nikkei Mid and Small Cap Index applies the same concept of the JPX-Nikkei Index 400 to small and mid-cap stocks with high appeal for investors, and selects the top 200 stocks from companies that are utilizing capital efficiently and managing their business with investors in mind.

Kaga Electronics will work toward its sustainable growth by steadily realizing the priority themes it has identified in its "Medium-Term Management Plan 2027" and "Medium- to Long-Term Sustainability Management Plan," and will strive even harder to further improve its corporate value and live up to the expectations of the broad range of investors.
