2. Reason for revision

With regard to the distribution of profits, the Company's basic policy is to pay stable dividends continuously, taking into account the profit situation and the business environment, etc., in order to secure sound management and stable profits as a regional financial institution, strengthening its financial position through internal reserves, and rewarding shareholders. The Company aims to achieve progressive dividends as profits grow, with a target payout ratio of 30% or more.

Based on this policy, we have decided to increase the year-end dividend per share by 10 yen to 65 yen for the fiscal year ending March 2025 in response to the support of our shareholders. As a result, the annual dividend for the fiscal year under review is 125 yen per share.

The dividend forecast for the fiscal year ending March 2026 will also be increased by 15 yen to 140 yen.
