## 2. Reason for the revision

### (1) Reason for the revision of the non-consolidated financial results forecast

The upward revision of the financial results forecast is due to the steady progress of interest income from loans and deposits, as well as profits from service transactions, along with the expected surpassing of forecasts for securities investment income, we will be revising our earnings forecast upward.

### (2) Reason for the revision of the consolidated financial results forecast

This is due to the revision of the non-consolidated financial results forecast.

The financial results forecasts contained in this document are based on information available as of the date of this announcement. Actual results may differ from the forecast figures due to various factors that may arise in the future.
