Notice Concerning Determination of Matters Related to Repurchase of Treasury Shares of 2nd Series of Class VII Preferred Shares (Repurchase of Treasury Shares Pursuant to Provisions of Articles of Incorporation under Provisions of Article 459, Paragraph 1 of the Companies Act)

The Chiba Kogyo Bank, Ltd. (hereinafter, the “Bank”) hereby announces that, as stated in the “Notice Concerning Repurchase of Class II Preferred Shares, the 2nd Series of Class VI Preferred Shares, and the 2nd Series of Class VII Preferred Shares,” announced on March 25, 2026, the Board of Directors of the Bank resolved matters related to the repurchase of treasury shares pursuant to the provisions of Article 459, Paragraph 1 of the Companies Act and Article 16, Paragraph 2 of the Bank’s Articles of Incorporation at a meeting held on the same day, and that the Board of Directors has resolved the specific method of repurchase, etc. of the 2nd Series of Class VII Preferred Shares issued by the Bank at a meeting held today. The details are described below.

1. Reasons for the repurchase of the 2nd Series of Class VII Preferred Shares

As announced in the “Conclusion of Final Agreement Regarding Establishment of Joint Holding Company by The Chiba Bank, Ltd. and The Chiba Kogyo Bank, Ltd. (Joint Share Transfer)” dated March 25, 2026, subject to the approval of the general meetings of shareholders of the Bank and The Chiba Bank, Ltd., as well as the necessary approvals from relevant authorities, the Board of Directors of the Bank resolved to establish “Chiba Financial Group, Inc.” (hereinafter, the “Joint Holding Company”), which will become the wholly-owning parent company of both banks effective April 1, 2027, through a joint share transfer (hereinafter, the “Share Transfer”) at said meeting, and concluded a final agreement to that effect.

Accordingly, the Bank announced on the same day that it would repurchase its issued preferred shares (Class II Preferred Shares, 2nd Series of Class VI Preferred Shares, and 2nd Series of Class VII Preferred Shares) between July 1, 2026, and January 31, 2027. Among these, the Bank determined that repurchase of the 2nd Series of Class VII Preferred Shares, which has the largest number of shareholders, prior to the other preferred shares would be appropriate for effectively advancing the capital policy, and the Board of Directors has resolved the specific method of

repurchase, etc. at a meeting today.

Following the Share Transfer, the Bank and The Chiba Bank, Ltd. plan to discuss the form of capital support to be provided through the Joint Holding Company, whether through a capital increase or other means. The Bank will strive to secure a capital ratio of at least 8%, which it anticipates will be necessary for the Bank to conduct its business operations appropriately.

2. Outline of repurchase

(1) Stock to be repurchased	2nd Series of Class VII Preferred Shares
(2) Number of shares to be repurchased	Up to 4,723 shares (All of the issued 2nd Series of Class VII Preferred Shares (excluding treasury shares))
(3) Consideration for repurchase of shares	Cash

(5) Aggregate amount of repurchase price	Up to 2,377,687,610 yen
(6) Repurchase method	Repurchase for consideration by agreement with shareholders holding the 2nd Series of Class VII Preferred Shares, following notification or public announcement to all the shareholders holding such shares
(7) Date of repurchase	August 17, 2026

(Note) The amount per share of the 2nd Series of Class VII Preferred Shares is calculated as the sum of 500,000 yen, which is the amount equivalent to the paid-in amount per share of the 2nd Series of Class VII Preferred Shares, and 3,427.40 yen, which is the amount equivalent to the pro-rated year-end dividend of the 2nd Series of Class VII Preferred Shares (the amount obtained by multiplying the number of days from April 1, 2026 (including that day) to the date of repurchase (including that day) by 9,000 yen, which is the year-end dividend per preferred share of the 2nd Series of Class VII Preferred Shares, and dividing the result by 365 (calculated to the third decimal place, with the third decimal place rounded up)).

If the amount of cash to be paid in exchange for acquiring shares results in a fraction less than one yen, the Bank will calculate the amount to the first decimal place with the first decimal place rounded down.
