Note: 1. Bankrupt and quasi-bankrupt loans are loans and quasi-loans against debtors who have fallen into bankruptcy due to certain reasons, including commencement of bankruptcy proceedings, commencement of reorganization proceedings, or submission of an application to start rehabilitation proceedings.

^{2.} Doubtful loans are loans with a strong likelihood that loan principals cannot be recovered and interest cannot be received according to the contract because of difficulties in the financial conditions and business performance of debtors who are not yet legally bankrupt, excluding those loans classified as bankrupt and quasi-bankrupt loans.

^{3.} Loans past due three months or more are loans for which principal or interest payments are more than three months overdue (calculated from the day following the contractual payment date), excluding those loans classified as bankrupt and quasi-bankrupt loans or doubtful loans.

^{4 .}Restructured loans are loans whose terms have been modified by reducing or waiving interest, granting interest payment extensions, granting principal repayment extensions, forgiving debt, or otherwise providing some arrangements favorable to a debtor in connection with the debtor's business restructuring or to otherwise provide support, excluding those loans classified as bankrupt and quasi-bankrupt loans, doubtful loans or loans past due three months or more.
