Announcement of Completion of Payment for Third-Party Allotment of Coincheck Group N.V.

TOKYO, June 9, 2026 - In press release by Monex Group, Inc. (hereinafter referred to as the “Company”) dated May 12, 2026, titled “Announcement of KDDI Corporation’s Capital Participation in Coincheck Group N.V. and Business Alliance between Coincheck, Inc. and KDDI Corporation”^{*1}, the Company announced that the Company’s consolidated subsidiary, Coincheck Group N.V. (Head Office: Amsterdam, Kingdom of the Netherlands; Executive Chairman: Oki Matsumoto; hereinafter referred to as “CCG”), and KDDI Corporation (Head Office: Shinjuku-ku, Tokyo; President and CEO: Hiromichi Matsuda; hereinafter referred to as “KDDI”) have entered into a share subscription agreement, and that KDDI would subscribe to newly issued ordinary shares of CCG through a third-party allotment. We are pleased to announce that as of today, the series of transactions involving the new issuance of ordinary shares, the subscription, and the payment of the total subscription amount (hereinafter collectively referred to as the “Transaction”) have been completed. It is noted that even after completion of the Transaction, CCG continues to be a consolidated subsidiary of the Company and doesn’t become an equity-method affiliate of KDDI.

Our group positions the crypto asset business as a core growth business following its online brokerage and asset management business, and has steadily advanced the expansion and enhancement of its business domains, as well as its growth strategies. The Company will continue to further strengthen collaboration both within and across its business segments, while aiming to enhance the long-term and sustainable corporate value of our entire group.

The impact of the Transaction on the Company’s consolidated financial results for the fiscal year ending March 2027 will be minimal.
