(※) The preliminary financial results are based on the information available at the present time and on certain assumptions that we deem reasonable. Final results, therefore may differ from the preliminary results.

2. Reason for Significant Difference in Business Results between Current and Previous Year's Same Period

Both operating profit and ordinary profit increased year-on-year due to an increase in commission received. On the other hand, profit attributable to owners of parent decreased year-on-year due to a decrease in extraordinary income.
