Notice of Selection as a Constituent of the FTSE JPX Blossom Japan Index and the FTSE JPX Blossom Japan Sector Relative Index

Keihanshin Building Co., Ltd. (“the Company”) hereby announces that it has been selected as a constituent of the FTSE JPX Blossom Japan Index and the FTSE JPX Blossom Japan Sector Relative Index, which are representative indices for ESG (Environmental, Social and Governance) investment adopted by the Japanese Government Pension Investment Fund (GPIF).

The Company has been selected as a constituent of the FTSE JPX Blossom Japan Sector Relative Index for the third year in a row.

The Company aims to contribute to society through various corporate activities under the corporate philosophy "To provide valuable commercial space to customers so as to contribute to the community." The Company will strive to build even better relationships with a wide range of stakeholders, aiming to further enhance its corporate value, while also contributing to realizing a sustainable society.

Indices in which the Company has been included:

FTSE JPX Blossom Japan Index

Created by the global index and data provider FTSE Russell, the FTSE JPX Blossom Japan Index is designed as an industry neutral benchmark that reflects the performance of companies demonstrating specific Environmental, Social and Governance (ESG) practices in Japan. FTSE Russell evaluations are based on performance in areas such as Corporate Governance, Health & Safety, Anti-Corruption and Climate Change. Businesses included in the FTSE JPX Blossom Japan Index meet a variety of environmental, social and governance criteria.”

FTSE JPX Blossom Japan Sector Relative Index

The FTSE JPX Blossom Japan Sector Relative Index is designed as a sector neutral benchmark that reflects the performance of companies demonstrating specific Environmental, Social and Governance (ESG) practices in Japan. The index selects companies with higher ESG Ratings within the top 50% of each sector and supports climate transition to a low carbon economy by evaluating companies’ climate governance and climate change efforts via the Transition Pathway Initiative’s Management Quality Score.
