Notice Regarding Selection as a Constituent of the JPX-Nikkei Index 400

Leopalace21 Corporation (headquarters: Nakano-ku, Tokyo; President and CEO: Bunya Miyao; the “Company") is pleased to announce that it has been selected as a constituent of the JPX-Nikkei Index 400, a stock index jointly developed by JPX Market Innovation & Research, Inc. and Nikkei Inc., for fiscal year 2026 (covering the period from August 31, 2026, to August 30, 2027) , marking its second consecutive year of inclusion following its selection for fiscal year 2025.

The JPX-Nikkei Index 400 is a stock index composed of companies considered highly attractive to investors and selected based on criteria that meet global investment standards, including efficient use of capital and management practices that emphasize shareholder value.

The index comprises 400 companies selected from among those listed on the Prime, Standard, and Growth Markets of the Tokyo Stock Exchange, based on factors such as market capitalization, trading value, and return on equity (ROE). The index aims to showcase the attractiveness of Japanese companies to both domestic and international investors, while promoting sustainable improvements in corporate value and fostering a more vibrant Japanese equity market.

The Company will continue its efforts to enhance corporate value and meet the expectations of its shareholders and investors.
