Notice Concerning Differences in Non-consolidated Financial Results for the Full Fiscal Year Ended March 2026 from the Previous Fiscal Year

Since non-consolidated net sales of the Company for the fiscal year under review exceeded the increase or decrease standard of 10%, we hereby announce the difference between non-consolidated full fiscal year financial results for the consolidated fiscal year ended March 2026 (from April 1, 2025 to March 31, 2026) and the previous fiscal year, in accordance with the Article 405, Paragraph 3 of the Securities Listing Regulations. Details are as follows. As the Company does not announce individual earnings forecasts for the period, the comparison is with actual results for the previous fiscal year.

1. Differences between Non-consolidated Financial Results for the Full Fiscal Year Ended March 2026 and Actual Results for the Previous Fiscal Year

(Millions of yen)

	Net sales	Operating profit	Ordinary profit	Profit	Profit per share (yen)
Actual results for the previous fiscal year (A)	89,709	11,701	11,458	7,965	101.94
Actual results for the current fiscal year (B)	105,909	14,537	14,277	10,075	128.81
Change (B-A)	16,200	2,835	2,819	2,109	-
Change (%)	18.1	24.2	24.6	26.5	-

2. Reason for the difference

The non-consolidated financial results for the fiscal year under review increased because the number of sales increased 14.7% year on year to 6,422, as sales prices of new homes soared with rising of construction costs due to rise of prices and to respond to tighter environmental regulations thereby the price competitiveness of existing homes offered by the Company increased.
