Notice Concerning GRESB Real Estate Assessment Results

Japan Metropolitan Fund Investment Corporation (“JMF”) hereby announces that it was designated by the 2026 GRESB Real Estate rating which is based on GRESB Overall Score and its quintile position relative to global participants as “four stars” (five-star scale).

1. GRESB Evaluation

JMF has taken various initiatives and made improvements regarding sustainability. The points evaluated this year are as follows:

Points Evaluated

- Highest evaluation in “Leadership”, “Policies”, “Reporting”, “Risk Management”, “Stakeholder Engagement”, “Targets”, “Tenants & Community” and “Data Monitoring & Review”
- Evaluation above peer group average in almost all other aspects

2. About GRESB

GRESB is an annual benchmarking assessment to measure sustainability integration of real estate companies and funds, as well as the name of organization which runs the assessment. It was founded in 2009 by a group of major European pension funds who played leading roles in launching Principles for Responsible Investment (PRI).

Currently, about 150 Investor Members use GRESB data for their investment decision-making and engagement with investees, and several institutions from Japan including Government Pension Investment Fund (GPIF) utilize GRESB Assessment results.
