Total	10,615					

Notes:

1. If the repayment date falls on a non-business day, it will be the next business day. However, if the next business day falls in the following month, the repayment date will be the preceding business day.
2. Base rate applicable to the calculation period for the interest payable on the interest payment date based on JBA 1-month JPY TIBOR is determined prior to 2 business days from the latest interest payment date. For base rate, please see the website of the JBA TIBOR administration. <https://www.jbatibor.or.jp/english/>
3. This borrowing will be procured through Sustainability Linked Loan ("SLL") based on our Sustainability Linked Finance Framework. SLL refers to financing which aims to support sustainable business activities and growth from environmental and social perspectives while linking interest rates and other financing terms according to achievement levels to encourage and motivate for borrowers to achieve their targets by setting Key Performance Indicators ("KPI") that are closely related to the borrower's core business activities as Sustainability Performance Targets ("SPT"). The interest rate on this borrowing will be changed depending on the achievement of the following SPT set beforehand. For details of Sustainability Linked Finance Framework, please refer to our website: <https://www.orixjreit.com/en/feature/finance/sustainability-linked-finance/>
<Target set as SPT>
SPT1: Reduce the KPI for the one year ending March 31, 2027 by at least 23.3% compared to the KPI for a year ended March 31, 2022 "the base year (2021)".
SPT2: Reduce the KPI for the one year ending March 31, 2028 by at least 28.0% compared to the KPI for a year ended March 31, 2022 "the base year (2021)".

<Change in interest rate upon SPT achievement>

When the above SPT is achieved, the interest rate will be reduced by 0.01% per annum from the time of confirmation on the achievement level until the maturity date.

2. Use of proceeds

To allocate to refinance the loan

Note: For the details, please refer to the press release “ORIX JREIT Announces New Debt Financing” announced on September 12, 2018, “ORIX JREIT Announces New Debt Financing” announced on April 18, 2019, “ORIX JREIT Announces New Debt Financing” announced on March 16, 2022, and “ORIX JREIT Announces New Debt Financing” announced on September 18, 2025.

3. Change in interest-bearing liabilities and LTV

Unit: million yen

	Before As of September 17, 2026	After ^(Note2) As of September 24, 2026	Change
Short-term loans	8,500	—	-8,500
Long-term loans	330,197	333,197	+3,000
Total of loans	338,697	333,197	-5,500
Investment corporation bonds	21,000	21,000	—
Total interest-bearing liabilities	359,697	354,197	-5,500
LTV based on total assets ^(Note1)	47.6%	47.2%	—

Note1: “LTV based on total assets” (%) = Interest-bearing liabilities ÷ Expected total assets × 100

“Expected total assets” is calculated by adding or subtracting the increase or decrease amount of interest-bearing liabilities and unitholders’ capital since March 1, 2026 to the total assets as of the end of the 48th fiscal period ended February 28, 2026. LTV figure is rounded to the one decimal place. Accordingly, change in the LTV figures may not tally due to rounding error.

Note2: Figures reflect the information disclosed in the “ORIX JREIT Announces New Debt Financing and Prepayment of Loan” announced on September 14, 2026.

4. Additional information for investors

With respect to the risks associated with new debt financing, the content of “Investment Risks” stated in our Security Report (*Yukashoken Hokokusho*) for the 48th fiscal period ended February 28, 2026, has not changed.
