Notice Concerning Acquisition of the highest rank “five Stars” in GRESB Real Estate Assessment

Japan Logistics Fund, Inc. (hereinafter referred to as “JLF”) hereby announces that it has received the highest rank “five Stars” in the 2025 GRESB Real Estate Assessment.

1. GRESB Assessment

GRESB is an annual benchmarking assessment to measure ESG (Environmental, Social and Governance) integration of real estate companies and funds, as well as the name of organization which runs the assessment. It was founded in 2009 by a group of major European pension funds who played leading roles in launching Principles for Responsible Investment (PRI).

Please refer to GRESB’s website for more details (<https://gresb.com/>).

2. Assessment Result

In the 2025 GRESB Real Estate Assessment, JLF received a “five Stars” in GRESB Rating, which is based on GRESB Overall Score and its quintile position relative to global participants. It also won a “Green Star” designation for the eighth consecutive year by obtaining a score higher than 50% of the points allocated to each component; “Management Component” that evaluates policies and organizational structure for ESG promotion, and “Performance Component” that assesses environmental performance and tenant engagement of properties owned.

3. Future Measures

JLF and the asset manager of JLF, Mitsui & Co., Logistics Partners Ltd. (hereinafter referred to as “MLP”) are conscious of fulfilling their social responsibilities such as consciousness to the environment and contribution to society, and will continue to implement sustainability practices, such as environmental and energy-saving measures for logistics properties held by JLF. JLF and MLP identify materiality related to ESG and formulate climate change framework. For more information on the ESG initiatives of JLF and MLP, please refer to the following website or Sustainability Report released in August 2025.
