### **Notice Concerning the Sale of Investment Securities**

Keio Corporation (hereinafter “the Company”) resolved to sell some of the investment securities it holds at a Board of Directors’ meeting held today. The Company hereby announces it expects to record extraordinary income (gain on the sale of investment securities) as a result of this sale.

#### **1. Reason for the Sale**

The Company is working to reduce its cross-shareholdings as one of its policies to improve its asset and capital efficiency under the Keio Group Medium-Term Management Plan “HIRAKU 2030” (FY2025 to FY2030). This sale is part of that effort.

#### **2. Details of the Sale of Investment Securities**

##### **(1) Shares to Be Sold**

Several of the listed investment securities held by the Company

##### **(2) Timing of the Sale**

During FY2025 (planned)

##### **(3) Gain on the Sale of Investment Securities**

9,000 million yen\*

\*The gain on the sale of investment securities is the expected amount calculated from the current stock price of the investment securities. It is subject to uncertainty due to factors such as future stock price movements.

### 3. Future Outlook

The Company expects to record extraordinary income (gain on the sale of investment securities) in its financial results (consolidated and non-consolidated) for the fiscal year ending March 31, 2026 due to the aforementioned sale of investment securities. Its consolidated earnings forecasts for the fiscal year ending March 31, 2026 remain unchanged from those it announced on November 10, 2025.
