## Notice Regarding Introduction of Shareholder Benefit Program and Special Shareholder Gift Campaign

TRE HOLDINGS CORPORATION (the “Company”) hereby announces that, at a meeting of the Board of Directors held on February 13, 2026, it resolved to introduce a new shareholder benefit program (the “Program”), as outlined below.

### 1. Overview of the Program

#### (1) Purpose of Introduction

The Program is being introduced in order to enhance the attractiveness of investment in the Company’s shares, to encourage a broader base of shareholders to hold the Company’s shares on a mid- to long-term basis, and to express our sincere gratitude for the continued support of our shareholders.

Furthermore, as part of our collaboration with KANAZAWA DAICHI CO., LTD. (“KANAZAWA DAICHI”), with which we entered into a business alliance in October 2025, the Program provides shareholders with the opportunity to enjoy HYAKUMANGOKU brand rice from Kanazawa Prefecture, produced by KANAZAWA DAICHI. This initiative aims to deepen shareholder understanding of our efforts to contribute to the revitalization of the Noto Peninsula region affected by the earthquake and promote regional agriculture.

#### (2) Outline of the Program

##### i) Eligible Shareholders

Shareholders recorded in the Company’s shareholder registry as of the record date (September 30 of each year) and who have continuously held 1,000 or more shares of the Company’s common stock for at least one year.

Note: “Continuously held for at least one year” refers to shareholders who have been recorded consecutively in the Company’s shareholder registry three times or more under the same shareholder number as of the record date (September 30 of each year), including both March 31 and September 30 dates up to and including the relevant record date.

ii) Details of Shareholder Benefit

Ten kilograms of Ishikawa Prefecture's HYAKUMANGOKU brand rice, produced by KANAZAWA DAICHI.

Note: The content of this shareholder benefit may be subject to change without prior notice due to crop conditions or other factors.

iii) Timing of Delivery

Delivery is scheduled to take place around November each year.

(First delivery planned for November 2026.)

Note: Details regarding delivery methods and related matters will be announced separately at a later date.

## 2. Special Shareholder Gift Campaign

The Company will also conduct a special gift campaign in which shareholders may apply to enter a special draw to receive uniforms signed by players of sports teams sponsored by the TRE Group: Toshiba Brave Lupus Tokyo (rugby), Alvark Tokyo (basketball), and Honeybee Ishikawa (handball). Further details will be announced on the Company's website soon.
