[Delayed] Notice of the Integrated Report 2025 Publication

SKY Perfect JSAT Holdings Inc. (Head Office: Minato-ku, Tokyo; Representative Director, President: Eiichi Yonekura) announces the publication of the Integrated Report 2025 as a tool to facilitate dialogue with a wide range of stakeholders, including shareholders and investors.

SKY Perfect JSAT Group has decided to significantly shift course toward 2030 and beyond; our Space Business will transition into “Space Solutions Provider” through our “Multi-Orbit Strategy,” while our Media Business will adopt a “Multi-Alliance Strategy.” This Integrated Report aims to provide a deeper understanding of our value creation story as we work to realize the long-term vision set by the Group, while being mindful of the perspectives and questions investors and analysts consider when analyzing companies.

We also actively share information through other publications and the Group’s website.
