## Notice Concerning Revision of Earnings Forecasts

The Company hereby announces that it has revised its earnings forecasts announced on February 27, 2026 in light of recent performance trends as follows.

### ●Revisions to Earnings Forecasts

Revision of consolidated earnings forecasts for the fiscal year ending March 2026 (April 1, 2025 to March 31, 2026)

	Operating revenue	Operating profit	Ordinary profit	Profit attributable to owners of parent	Profit per share
	millions of yen	millions of yen	millions of yen	millions of yen	yen
Previous forecast (A)	780,000	89,000	85,000	62,000	296.81
Revised forecast (B)	780,000	89,000	85,000	53,000	253.72
Change (B-A)	—	—	—	(9,000)	
Change (%)	—	—	—	(14.5)	
(Reference) Results for the previous fiscal year (Fiscal year ended March 2025)	858,275	101,034	91,363	65,148	311.98

<Reason for revision>

In line with the decision to abolish the Fukui Thermal Power Station Mikuni Unit 1 announced on March 24, 2026, the Company revised downward the profit attributable to owners of parent in light of the recording of impairment losses on non-current assets as extraordinary losses, as a loss on decommissioning of Thermal Power Station.

There are no changes to the year-end dividend forecasts for the fiscal year ending March 31, 2026, from the previous forecasts.

\*The above forecasts are based on information available as of the date of the announcement of this document, and actual results may differ from the forecasts.
