Notice Concerning Impact of Earthquake occurred off the east coast of Aomori Prefecture

RENOVA, Inc. expresses its support and solidarity towards those who have recently been impacted by the earthquake that occurred off the east coast of Aomori Prefecture at about 23:15 on December 8, 2025.

We have confirmed that this earthquake has not caused any damage on our other operating large-scale solar PV plants and biomass power plants in Tohoku regions.

If any new damage or similar development occurs in the future that may have financial impact, we will promptly make another announcement.
