## Reference Documents for the General Meeting of Shareholders

## **Proposals and Reference Information**

**Proposal No. 1** Reduction in the Amount of Legal Capital Reserve and Appropriation of Surplus

To eliminate the loss brought forward associated with previously recorded losses and to improve financial health, as well as to prepare for agile capital policies in the future, we would like to proceed with the reduction in the amount of legal capital reserve and appropriation of surplus as detailed below.

In addition, the reduction in the amount of legal capital reserve and appropriation of surplus involve a transfer between the account items in the net assets section of the balance sheet, and there is no change in the amount of net assets of the Company.

1. Reduction in the Amount of Legal Capital Reserve

Pursuant to Article 448, paragraph (1) of the Companies Act, the amount of legal capital reserve \$7,957,100,513 will be reduced by \$7,932,100,513 to \$25,000,000, and the entire amount of legal capital reserve to be reduced will be transferred to other capital surplus.

(1) The amount of legal capital reserve to decrease

Legal capital reserve:

¥7,932,100,513

(2) The date on which a decrease in the amount of legal capital reserve takes effect July 31, 2025

## 2. Appropriation of Surplus

Pursuant to Article 452 of the Companies Act, we will offset the same amount of deficit by transferring \(\xi\)17,153,571,371 from other capital surplus, which amounts to \(\xi\)57,434,097,665 after the reduction and transfer of legal capital reserve mentioned in section 1. above, to retained earnings brought forward.

(1) Item of surplus to be decreased and amount of decrease

Other capital surplus:

¥17,153,571,371

(2) Item of surplus to be increased and amount of increase

Retained earnings brought forward: ¥17,153,571,371

(3) The date on which appropriation of surplus takes effect

July 31, 2025
