Daiseki Co., Ltd. has officially committed to the United Nations Global Compact (UNGC) by signing the initiative and has been registered as a participating company on April 4, 2025. Concurrently, Daiseki Co., Ltd. has become a member of the Global Compact Network Japan, an alliance of Japanese companies and other organizations that have committed to adhering to the principles of the UNGC.

About UNGC

The United Nations Global Compact (UNGC) is the world's largest sustainability initiative, bringing together the United Nations and the private sector (companies and organizations) to build a healthy global society. They are expected to continue their efforts toward the realization of these principles under the commitment of their top management.

About The Ten Principles of the UN Global Compact

Human Rights	
Principle 1	Businesses should support and respect the protection of internationally proclaimed human rights; and
Principle 2	make sure that they are not complicit in human rights abuses.
Labour	
Principle 3	Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;
Principle 4	the elimination of all forms of forced and compulsory labour;
Principle 5	the effective abolition of child labour; and
Principle 6	the elimination of discrimination in respect of employment and occupation.
Environment	
Principle 7	Businesses should support a precautionary approach to environmental challenges;
Principle 8	undertake initiatives to promote greater environmental responsibility; and
Principle 9	encourage the development and diffusion of environmentally friendly technologies.
Anti-Corruption	
Principle 10	Businesses should work against corruption in all its forms, including extortion and bribery.
