SoftBank Group Corp.

### **Retirement of Treasury Stock**

SoftBank Group Corp. ("SBG") announced today that its Board of Directors resolved the retirement of treasury stock as follows, pursuant to Article 178 of the Companies Act of Japan.

As a result, SBG will retire the same number of shares as the total number of treasury stock acquired based on the resolution of the Board of Directors on August 7, 2024.

|                                    |                                                                                       |
|------------------------------------|---------------------------------------------------------------------------------------|
| (1) Class of shares to be retired  | Common stock of SBG                                                                   |
| (2) Number of shares to be retired | 42,033,200 shares<br>(2.86% of total number of shares issued prior to the retirement) |
| (3) Planned retirement date        | October 31, 2025                                                                      |

#### Reference:

##### 1. Number of shares prior to the retirement (as of September 30, 2025)

|                               |                                                               |
|-------------------------------|---------------------------------------------------------------|
| Total number of shares issued | 1,469,995,230 shares                                          |
| Number of treasury stock      | 45,376,839 shares<br>(3.09% of total number of shares issued) |

##### 2. Number of shares after the retirement (estimated)

|                               |                                                              |
|-------------------------------|--------------------------------------------------------------|
| Total number of shares issued | 1,427,962,030 shares                                         |
| Number of treasury stock*     | 3,343,639 shares<br>(0.23% of total number of shares issued) |

\* Calculated by deducting the number of shares to be retired from the number of treasury stock as of September 30, 2025.
