2. Targets for Current Fiscal Year

2. Targets for the fiscal year ending March 2026

BELLUNA

The fiscal year ending March 2026 is the first year of the 6th Short-Term Business Plan.

On October 30, it was announced that we had revised our consolidated earnings forecast for the interim consolidated accounting period upward. Based on the results and the projections indicating a better second half of the fiscal year, the full-year consolidated earnings forecast was not changed. In light of our solid performance, particularly in the hotel business, we aim to revise the full-year earnings forecast upward.
